OPEN END CREDIT PLAN

Applicant hereby requests that Bayou Concrete, LLC (each such company selling products to applicant being hereinafter called "Seller") extend credit to Applicant for purchases of materials by applicant as may be approved by Seller, upon the following term and conditions:

1. Each purchase of materials made by applicant from Seller shall constitute a portion of an account in Applicant's name (herein call "account") to which Seller may charge (a) the cash selling price of each item so purchased, and (b) a FINANCE CHARGE of the lesser of 1-1.2% per month or the highest rate allowed by law on the portion of the unpaid balance which, as of the date of each statement of the account, is more than thirty days old. This agreement shall be construed to be an "open-end credit plan". Applicant will assume full responsibility for credit extended to Applicant with regard to Applicant's account, including all purchases made by Applicant and any and all other persons with Applicant's verbal or written authorization. Applicant agrees to pay Seller the balance of Applicant's account, including any finance charges added thereto as herein provided, in accordance with Seller's credit policy in effect from time to time. At the time of payment, Applicant shall have the right to designate, in writing, the particular invoice or finance charges to which such payment is to be credited and, in the absence of any such designation by Applicant, Seller shall have the right to select the invoice charges or finance charges against which Applicant's payment is credited regardless of the age or due date of such invoice charges or account charges.
2. Upon default in payment of any charges on Applicant's account more than thirty days old, the entire balance of Applicant's account shall, at seller's option, but WITHOUT NOTICE OR DEMAND, become immediately due and payable. Subject to any limitations imposed by applicable law, after default, should the amount owing on the account be referred to an attorney or collection agency for collection., Applicant agrees to pay a reasonable attorney's fee or collection fee and all costs and other expenses which may be incurred by Seller. Applicant hereby waives, as to the account, all rights of exemption under the Constitution and the laws of the State of Alabama and/or Mississippi, or any other state to the extent allowed by law.
3. Applicant agrees (a) that Seller's waiver of or acquiescence in any default shall not constitute waiver of any subsequent or other default, (b) that all rights and remedies hereunder are cumulative and not alternative, (c) that time is of the essence, and (d) that Seller may at any time, WITHOUT NOTICE to Applicant, REDUCE OR INCREASE ANY CREDIT LIMIT extended to Applicant, DECLINE TO SELL MATERIALS TO APPLICANT under this Open End Credit Plan, or TERMINATE this Open End Credit Plan.
4. To induce Seller to extend credit to Applicant, Applicant agrees to clearly identify, in writing, for Seller all purchases that are for Applicant's personal, family, or household use.
5. Applicant authorizes all banks and businesses with whom the applicant has done or is doing business to disclose to Seller all information which would assist Seller in its credit investigation and authorizes Seller to obtain credit reports from credit reporting agencies and to re-investigate Applicant's credit status as Seller may deem necessary.
6. Applicant agrees that the terms and conditions of sale on the front and back of Seller's delivery tickets and invoices shall apply to all purchases by Applicant from Seller. Applicant acknowledges Seller's rejection of any provisions in Applicant's written orders which are inconsistent with the terms and conditions contained in this Open End Credit Plan and on Seller's delivery tickets and invoices.
7. This Open End Credit Plan, together with Seller's invoices and delivery tickets, constitutes the entire agreement between Seller and Applicant with regard to the sale of products and extension of credit, all prior agreement, representations and understandings between the parties having been merged into such documents. Should any terms of the Open End Credit Plan be declared invalid, the others shall remain in full force and effect.
8. Applicant agrees that this Credit Application and Open End Credit Plan may be executed by Applicant and any Guarantors and delivered or transmitted to Seller by anyone via telecopier or facsimile machine and that such facsimile copy so delivered to any Seller shall be deemed and executed original duly delivered by Applicant and guarantors to each Seller for all purposes.
